HORSE & LIVESTOCK BODY BLADE:

For years equestrians have used the Original Waterblade in the care of their horses... Now we've built a model specifically for them with a wider blade and smaller handle. Perfect for show livestock as well.

FLOORBLADE BARN, STABLES & TRAILERS:

The new Floorblade has uses well beyond the factory. Its ability to handle all types of waste is perfect around the stable or in the trailer. It's the sweet way to handle road apples.
